Dear School Counselor,

Please find the enclosed flyer outlining the details of our Maggie Thompson Memorial Scholarship that we award to students every year in the state of Nebraska.

Over twenty years ago, a scholarship was established in memory of Maggie Thompson. Maggie started working at Goodwill right after high school. Maggie developed many skills while at Goodwill and eventually became the receptionist for many years. She was an asset to Goodwill and will always be remembered fondly. In 1979, Maggie was named "Outstanding Nebraskan" by then Governor Charles Thone. Her parents created a scholarship in her honor to be given to students with disabilities who want to further their education or need materials or equipment to pursue their educational goals. It is their way of paying it forward. While Maggie is no longer with us, her legacy lives on through this scholarship.

If you have any students who are living with a disability and have the desire to increase their independence through education or employment – please have them apply for this scholarship.

If you have any questions please contact Kim Buschkoetter at kimb@goodwillne.org or (308) 380-3344.

Sincerely,

Lindsey Miles
Director of Marketing & Development
